VetREST seeks to mentor veterans while providing farming opportunity in safe and supportive environments where they can achieve wellness themselves and produce healthy food for our nation. The West Coast Dining-In provides a spirit-filled evening, rooted in military tradition, with an unparalleled fusion of fundraising, fun, and ceremony. The evening's events will bring our supportive, philanthropic, and giving community together to raise awareness and bring forth a special appeal to help us vision, develop, and implement a Victory Garden at Portsmouth Commons, an affordable housing community dedicated to Veterans. Be a part of helping us continue our mission work. This great event is being presented in partnership with BESThq and The Marketplace Catalyst (presented by Serving Our Neighbors).

Scores of veterans and community friends will network with each other, have tons of fun & YOU should be there to connect with them and honor those that have sacrificed for our freedoms and country!
